P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to Office Action dated March 21, 2005, please amend this application to place it in condition for allowance as follows:

IN THE CLAIMS

Kindly cancel claim 12.

Please amend Claim 10 as follows:

10. (Twice Amended) A barbeque fork for holding and removing food items, said fork comprising:

a handle;

a tine head on a first end of said handle, said tine head having at least one tine;

a rod slidably supported on said handle, said rod comprising means for engaging food

Applicant: Wilkinson, A. G. Jr.
Serial No.: 10/734,347
June 21, 2005

items on said tine head and means for preventing said rod from pulling free from said handle; said food engaging means being slidably disposed along an independent plane over and substantially parallel to a top surface of said tine; [and]

at least one guide post for slidably supporting said rod on said handle, said guide post having an aperture for slidably receiving said rod to facilitate movement of said rod across said handle and sliding said food engaging means; and

a slot defined by one of said guides for facilitating removal of said rod from said slotted guide such that said rod is able to pivot.

12. (Canceled) A fork as recited in claim 11, wherein said means for slidably supporting said rod comprises:

a slot defined by one of said guides for facilitating removal of said rod from said slotted guide such that said rod is able to pivot.
